

General Meeting May 10, 2023

1. In-person meeting called to order at 7:10PM with approximately 8 members in attendance

Old Business

2. Raffle Ticket Sales – we are in need of more people to help sell raffle tickets. Draw date is in October, so we have lots of time to sell tickets.
3. Banquet Update – Jaren. Planning is well underway. We are still accepting donations for the fundraiser, so if individuals or companies would like to make a donation, let the club know.
4. Presentation – Hunting Draw Strategies. Presentation focused on using the information available through on-line sources like Alberta Environment and Parks to determine draw wait times, priority levels needed to get drawn, and hunter success rates for various special licence draws. Presentation will be placed on our website.
5. Walleye Draws – undersubscribed tags are now available.
6. Re-cap of the Prussian Carp fishing day held at Frank Lake. The event was unsuccessful. Only 6 anglers showed up, and no fish were caught. It appears that at ice-out the fish moved off shore and were not catchable. A draw was held from the attendees, and the winner was Pedro. Prize supplied by MyCatch.

New Business

7. The presentation hosted by the Sarcee Fish and Game Association yesterday at the Cardel Theater in Calgary was well attended. T.J. Schwanky spoke on tips for long distance shooting. Many of our club members were in attendance.
8. Our next club meeting will be in September. In June, we have the banquet, in July we are planning a family potluck and in August we hope to do the Hike and Fish event.
9. Meeting adjourned at 8:45 p.m.
